CHARLIE COMPANY

CO: CAPTAIN PLUMMER

During the last month of the year, the upper LETs had a class about Platoon Responsibilities, they were given a test on the topic and did pretty well. The lower LETs were working very closely with top to ensure they were set with their uniform and having classes that would improve their performance and skills as an individual cadet. As we head into the new year, we will ensure to be more focused on formation and distinguishing the ranks of each individual.
