

Alpha Company

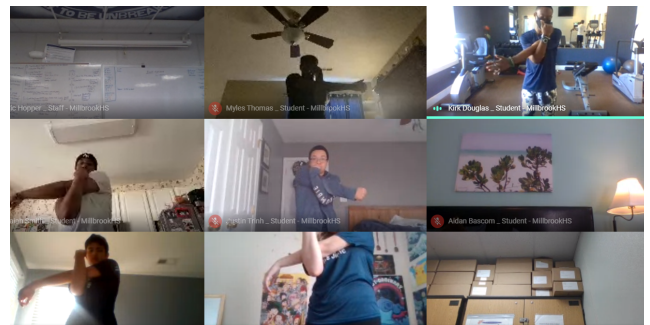

Bravo Company

Company Commander: Cadet Captain Sheffield

First Sergeant: Cadet First Sergeant Thomas

Bravo Company notable events:

- Cadets worked in groups to find out activities to use for our upcoming summer camp. Cadets then brief their presentations to the class to help form a schedule for the camp and keep it filled with fun that lasts throughout the day. This helped Bravo Company reinforce our teamwork skills.
- Cadets work on finding current events to present to class and state their importance to the world, some articles included were about space exploration, conservatorship, and much more
- Cadets worked hard hard on attempting to make a plan for life after high school which includes making a budget, finding careers and temporary jobs to make a living in life while paying off certain debts.
- Bravo Company worked on the cadet challenge virtually, it was a hurdle that was successfully overcome with cadets using homemade materials to help them execute the cadet challenge.

Achievements: First PT of March

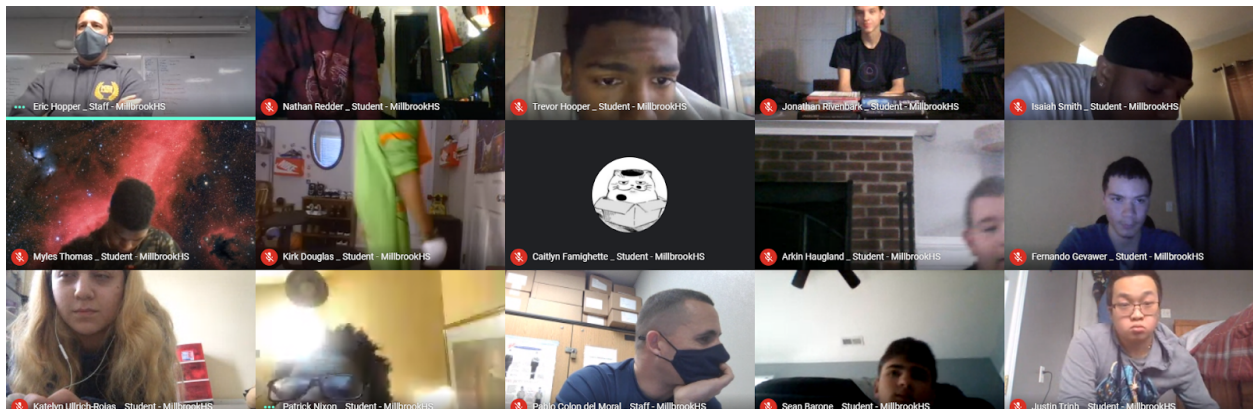

- Working on finalizing summer camp ideas, Bravo Company cadets have done an outstanding job working in groups mostly online and keeping in touch with one another to complete the tasks given to them, very impressive!
- Cadets overcame the challenge of completing the cadet challenge virtually and overcoming the challenges of the online world

Summary:

Bravo Company once again shows that we rise to the occasion and when we are given something to do, we do it! There is not a weak bone in our vocabulary! Bravo Company has proven that when we compete we will compete hard to accomplish our goals together.

Cadets of the Week:

Cadet Sergeant Rojas, Cadet Sergeant Farrar, Cadet Sergeant Famighette, Cadet Corporal I. Smith

Cadets work on preparing their space for the cadet challenge coming up
