BATTALION

BC - LIEUTENANT COLONEL JACKSON

April has been a time of new beginnings yet bittersweet endings for the Millbrook Highschool Wildcat Battalion. First and foremost, JROTC completed its 2023 Award Ceremony where multiple cadets were recognized for their outstanding performances and immense growth in their leadership skills. Additionally, our brand new Archery team took flight this year, participating in a few competitions prior to our last one on April 22nd, where several of our Millbrook JROTC archers ranked in the top 5-25 in their categories. To cap off the month of April, students are given class time to study for exams and improve grades for the final quarter. We're excited to see what the end of this year will hold for the Military Ball and the last Org day of the year currently in the works.

ALPHA COMPANY

CO - CAPTAIN MILLER

For this month, the LET 4 class cadets learned all about finances, and life after high school, while the LET 1 class learned more fundamental JROTC skills like land navigation. This month was packed full of useful information for both courses that cadets will be able to apply to create a better life for themselves and their families.

BRAVO COMPANY

CO - CAPTAIN OCAMPO

This month, upperclassmen of Bravo learned how to manage personal finance and some ways to invest in our future. We went and broke how we manage our income and how we could better manage it. Underclassmen learned about land navigation, where they learned how to use a compass and how to locate certain areas with degrees. As a company, we finalized our Military Ball plans for the month of May.

CHARLIE COMPANY

CO- CAPTAIN PALAFOX

Charlie Company has learned and improved their skills in rifle commands and commands for color guard as well. They've been seeking and helping out with the grog for the military ball. Let 1's have done amazing work with their discussions about managing different topics in JROTC. While let 2's and above have been learning about finance and skills that follow through with that.

Land navigation 4/26

Cadets in Bravo out on the field testing their navigation skills

Rifle drill 4/27

Cadets in Bravo doing rifle drill, practicing synchronization

Award ceremony 4/28

Cadet Corporal Bartholomew receiving a national award

Award ceremony 4/28

Cadet Corporal Quinn receiving a national award
