

October Recap

BATTALION NEWSLETTER

BATTALION

DC: LIEUTENANT COLONEL ORTIZ

It has been a packed October. We started the month off with our Food Drive against Sanderson which will be completed by the 30th. We had our Seniors and Juniors tour both North Carolina State University and UNC Chapel Hill's ROTC programs. There was a lot to learn in terms of future planning. Our Raider Team competed in their first competition of the year on the 7th in which they placed 3rd overall! It was a great start to the year, preparing them for Nationals for the first week of November. Towards the middle of the month we completed our first promotion board in which all cadets passed and held our first ASVAB of the year with an attendance of kids from all throughout the school. For the near future, we have our JROTC Yearbook picture on the 25th and we will end the month off with a Halloween party! There will be movies, treats, and snacks!
